The Taj Mahal, from the River. It is said that Shah Jehan designed a bridge to connect this last resting place of his wife with a similar Taj on the far side of the river. Masons, jewellers, and workmen spent 17 years and four million sterling in collecting materials for what still remains "The Wonder of the Earth."

Many thanks for
very pretty card.
What a lovely spot!
So glad the weather has
been pleasant, & that
you are having a good
time. H. E. Vincent.
